

HAM UNITED GROUP CIC -YOUR LOCAL COMMUNITY GROUP-CARE ABOUT WHERE YOU LIVE

INCORPORATING PETERSHAM

**Minutes of HUG meeting - Library Community Room
13-09-2018, 7.30 pm**

CHAIR'S WELCOME and apologies from Mary Pitteway, Sufiyo Andersson, Chris Ruse, Ray and Margaret Woodrow, Richard Woolf, David Williams.

APPROVAL of Minutes: Minutes were approved.

Financial Report: Pepe submitted an update which will be sent out with the Minutes.

Ham Fair debrief: Agreed that the day had gone well as the weather was brilliant and the event well-attended. It had been a bonus to be able to use the marquee from the Ham Parade Market which Makerlab members and the Ham Parade Market team were invaluable in erecting and dismantling. Sufiyo had made two brilliant display boards but the issue of larger display boards still needs addressing. More worryingly we were very short of people to be on the stall on the day. Without the presence of Makerlabs members we had only four other volunteers. If we are to make the most of the publicity opportunity we do need more people to come forward and help.

Ham Close consultation updated: Nothing much further to report as it had all gone quiet over the summer and the next Stakeholders' meeting is on 1 October. Report back at next meeting. Agreed that Chair should continue to press for the fewest numbers possible on site and for a truly innovative "green" development that the community can be proud of.

Projects updates:

NF - The date for the Referendum has been set for 18 October. Polling cards are being sent out with different polling stations from those used in local and national elections - PLEASE CHECK.

Green Screen: No Green Screen organisers present but we gathered that September 9th screening went well.

MakerLabs - Again no Makerlabs members present but we know they are very busy and going from strength to strength in membership.

Library garden - No-one to report

Orchard. Windfalls - No-one to report

Grey Court allotment - No-one to report

Meditation - Sufiyo absent but classes have restarted and are well attended.

FoHL - guided apple and pear walk 7 October. 2-4pm

HIWTHI - 51 interviews completed, website restored after hacking, works still to be done on developing the website and establishing an education resource. Talk to be given on project at Ham Library on 28 September as part of Know Your Place Festival.

Programme for future meetings: 16 October, 29 November (AGM)
