

Greenwise
People

Forest School

LEADER & ASSISTANT TRAINING LEVELS 1, 2 & 3

Completing this course qualifies participants to devise and run Forest School programmes. GreenWise People Training is as much an experience as a course. It launches participants on a journey into the extraordinary realm of outdoor learning. Be prepared to get muddy and have plenty of fun!

Gain the skills, knowledge and confidence to work with children in the outdoor learning environment!

For more information or to book: info@greenwisepeople.co.uk // www.greenwisepeople.co.uk

- ★ Fully understanding the potential of woodlands and the Great Outdoors for child learning and development.
- ★ Integrating the Forest School ethos and principles.
- ★ Exploring ways to plan sessions and programs for maximum benefit.
- ★ Opening doorways to a wealth of outdoor projects and experiences using natural resources.
- ★ Learning methods to teach and facilitate the development of practical skills such as using tools, crafting, fire making, knots, erecting tarpaulins and cooking on an open fire.
- ★ Training will equip you to provide a safe, fun and professional experience for your learners outdoors.
- ★ 9 face-to-face training days - 12 months to complete portfolio (BTEC Equivalent, Internationally Recognized OfQual Regulated Qualification)
- ★ Ongoing Tutor support including optional monthly zoom calls & ongoing CPD days with priority and discounted rates for trainees.
- ★ 16hr Forest School & 12hr Paediatric 1st Aid offered annually with a discounted rate for GreenWise People Trainees - in collaboration with the brilliant Maxine Lock (Peritia Training, ITC First)
- ★ ITC First accredited Forest School Trainers
